

ASHBURN VILLAGE HOMEOWNERS

To receive your membership, simply bring your settlement papers (Deed of Trust or HUD-1), photo IDs and proof of residency for all immediate family members to the Ashburn Village Community Association, located at 44025 Courtland Drive. Homeowners must be able to demonstrate proof of guardianship to the Homeowner's Association for other children residing with the family.

Each household receives up to two adult memberships.

Adding another adult to a membership:

Any additional adults (ages 18 or older) must come to the Homeowner's Association with the homeowner and provide a photo ID and proof of residency, such as a bill mailed to the house or proof of legal guardianship by the homeowner. There is a \$38 monthly fee for each additional adult 26 years or older.

Conveyance & Non-Conveyance of Membership:

Ashburn Village property owners, who choose to no longer reside at their property and decide to lease their residence, have the option to convey or not convey their membership privileges to their tenants. If owners choose to convey their membership to their tenant (i.e., they no longer wish to have member access to the Pavilion), the tenant receives the same membership privileges as the owners. If the owners choose to not convey their membership privileges (e.g., they still live in the area and want to continue to use the Pavilion), the tenants will be required to apply for an outside membership and pay the appropriate fees. If one of the individuals listed on the settlement papers is no longer residing at the property, it is permissible for that individual to convey just his/her privileges to another individual who is now residing at the property.
